Subject: SMI Draft Permit Review and Brox Final Permit

Hi Jennifer –

We look forward to seeing you this Thursday for the kickoff review meeting for Specialty Minerals. We also hope to have the Brox Final Permit and Response to Comments wrapped up by Thursday – could we also quickly go over the changes (there were only 3 comments and one minor change) and transmit the Final Permit and RTC for Brox for your review at the same time? I figured you would be reviewing the Brox Final since you reviewed the Draft, but let me know if something has changed.

Thanks!
Danielle
